Re: Case No. 2009-00542
KY 228/Rholelia Water System Improvements
Meade County Water District

Dear Mr. Brian:

Can you please give me an update on the progress of the project which is described above? I received your letter of January 7 informing me that the project was approximately 75% complete. Thank you.

As a reminder, the ordering paragraph of this final order requires the following:

- Meade District shall file a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of the substantial completion of the construction certificated herein.

Thank you for your attention to this matter

Sincerely,

Linda Faulkner
